

*An experienced and trusted trade union leader with a reputation for representing INTO members*

# **VOTE** **JOHN BOYLE** **for INTO President**

*An INTO President who will do teachers proud*

*A chomhmhúinteoir, a chara,*

I ask for your vote in the election for INTO President at your branch meeting in January and in the postal ballot in March.

I have been an INTO activist for 30 years. During that time I have advised and helped hundreds of teachers experiencing personal and professional difficulties. For the last year, as Vice-President of INTO, I have continued to work hard for teachers north and south.

In particular I have prioritised:

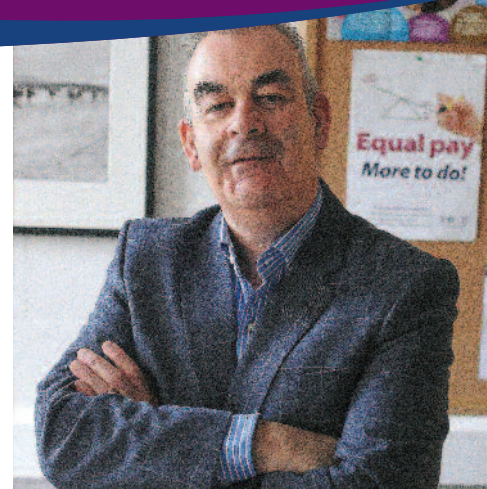

- Salary restoration for newer teachers in the south
- Accelerated pay recovery for teachers north and south
- Improving supports for school leaders
- Lifting the moratorium on promotion
- Appointment of extra teaching staff
- Alleviation of teachers workload
- 'Investment in Teaching Workforce Scheme' in the north

I am proud of the progress made during my term as Vice-President and if elected, will work for continued success on your behalf as INTO President.

Please support me at your branch meeting in January and by giving me your vote in the postal ballot next March.

*Go raibh míle maith agat.*

*John Boyle.*

***Make sure you are represented by a high performance, well respected, skilful negotiator as INTO President 2017-2018***
